Cheers, Raechel Ballinger (Editor)

Welcome to Season 2008! I hope everyone has had a fantastic summer and is looking forward to the coming season.

Player Profile: Raechel Ballinger

How many years have you played hockey?

I have played this hockey game for a long time. I started in Minkey then played for Garnets, which then became Strikers and somewhere in there I played with my University team. All up I've played for 20+ years.

What team do you play for?

A women.

What position do you play?

Mostly wing or centre forward. In my younger and fitter days I played inner or right half.

What do you like about playing hockey?

Scoring goals is exciting. But the best bit is being part of the team. The Strikers women are a great bunch, both on and off the field.

What has been your best hockey moment?

Any win. Any goal I've scored against SYC. Winning the gold medal for indoor hockey at the Victorian Police and Emergency Services Games.

What has been your worst hockey moment?

Not being able to play hockey because of injury! Losing the A grade grand final many years ago. Also, during my university years my own campus qualified for the Australian University Games and I never got to step on the field. Before hockey started I was asked to fill in for the Womens Rugby team and broke my wrist in the first 5 minutes!

Photo Flashback

Back in the good old days.....The year was 1990ish, it was before goalies were required to wear head gear, when the fields were grass and when in front of goals it could get very very muddy after a heavy rain.
